New York Times Bestselling Author, Researcher,  
and Founder of the Strengths Revolution

World-renowned Bible scholar  
and bestselling author

Justice Advocate, Author, Speaker,  
and Spiritual Leader

Each speaker brings their unique perspective and will help us focus on the integration of our personal, professional, and spiritual lives. This three-hour program will be highly interactive. Our speakers will stimulate our thinking with brief but powerful talks as well as challenge us to engage in our lives and communities in deeper and more meaningful ways. Seminars will be followed by breakout sessions where you get to share and participate.
