

YOU'RE INVITED

WINNIPEG VISION EVENT

LEADER  IMPACT

Interactive Zoom Meeting with Garth Jestley

YOU ARE MORE THAN YOUR BUSINESS CARD

LeaderImpact has been inspiring and developing leaders for decades. In cities spanning the globe, we are a community of peers intentional about making a difference in the world by becoming better people and better professionals in all aspects of our lives.

Imagine leaders everywhere living life to the fullest: using their influence, affluence, skills and time to make a meaningful difference in their homes, at work, in their cities and around the world. What if their relationship with God and with others was genuine, authentic, loyal, and caring? The true impact they would have would be astounding.

LeaderImpact is designed for leaders who genuinely want to make a difference and are willing to commit the time, energy and resources to make it happen. Join us with special guest **Garth Jestley**, Business Executive and former Executive Director of LeaderImpact, to learn how you can be part of this movement to change lives in the marketplace, in this city and around the world.
