

YOU'RE INVITED

GLOBAL EXCHANGE LEVEL 1 INSPIRATION

LEADER  IMPACT

URABA (APARTADO), COLOMBIA

November 18-25, 2023

If you want to impact a country, you must first **inspire** its leaders. The goal of this Global Exchange is to identify leaders who share our passion to inspire their city and their nation, provide training and establish the foundation for LeaderImpact in the subregion of Urabá. As a member of this team you will be involved in casting this vision and participating in a LeaderImpact Forum Event as well as dinners with local Christian marketplace leaders. There you will have the opportunity to share your personal faith story and experience as part of LeaderImpact.

Colombia is one of the world's seventeen megadiverse countries; it has the second-highest level of biodiversity in the world. Its territory encompasses Amazon rainforest, highlands, grasslands and deserts. It is the only country in South America with coastlines (and islands) along both the Atlantic and Pacific oceans. Colombia is also the largest Spanish-speaking country in South America. Apartadó is a town located near the Atlantic Ocean in the Gulf of Urabá, a subregion in the Colombia Department of Antioquia. "Apartadó" means "river of plantains" in the local Indian language. The economy here is based on bananas, plantain, corn, cassava, cocoa, wood and livestock. Because it is near the Caribbean Sea and to the center of the country, the government is encouraging industrialization in this region.

This opportunity is designed to increase your leadership confidence, build relationships with leaders in Colombia and Canada, and to inspire you to make a difference back in your own city. We hope that you will **join us** in Apartadó for this life changing experience.
