LEADERIMPACT CALGARY SPOTLIGHT

Special Lunch with Matthew Littlejohn

WE ARE NOT IN CONTROL

Integrating business, life & faith

Matthew Littlejohn has over 16 years of experience in Corporate Banking, specializing in the diversified, oil field services, and E&P sectors. He currently manages a substantial \$2.2 billion Oil and Gas lending portfolio and has been instrumental in numerous large transactions, providing key support for M&A and capital markets activities.

Before joining ATB Capital Markets, Matthew held various roles within Petro Canada's downstream operations. He holds a Bachelor of Business Administration from Simon Fraser University and a Master of Business Administration, with a focus in finance, from the Ivey School of Business at the University of Western Ontario.

A dedicated family man, Matthew is a proud husband and father of three children. In his leisure time, he enjoys home renovations, skiing with his children, and spending time at the lake during summer.

During this presentation, Matthew will draw from his experiences in both the financial sector and his personal life. He will share insights into the unpredictable nature of the oil markets, the ever-changing banking landscape and draw parallels to the concept of "we are not in control" in our own lives, but God is.
