LEADERIMPACT CALGARY SPOTLIGHT

Special Lunch with Darren Young

CAUSE MARKETING. EMPLOYEE ENGAGEMENT. BRAND LIFE. SOCIAL GOOD.

Integrating business, life & faith

Join **Darren Young**, President of Power to Change (P2C), as he shares the wins, the stumbles, and the lessons learned in building trust and aligning values between nonprofit and for-profit organizations.

Darren is an alumnus of the P2C student ministry at Simon Fraser University and previously led the staff development, human resources and finance teams. Before rejoining P2C as President in 2021, he served for thirteen years as the Lead Pastor of a church. He also worked with church leadership across North America as president of Executive Leadership Solutions, where he pioneered the launch of a premier leadership collaborative for large and leading churches.

Darren will explore how collaboration takes organizations beyond just the bottom line and actually fosters community change. He'll close with an exciting look ahead to P2C's 2026 vision, and why it matters for communities, brands, and employees alike.
