

# YOU'RE INVITED

## LEADERIMPACT CALGARY SPOTLIGHT

### LeaderImpact Lunch with Shawn Shewchuk

## THE PLAN

### Integrating business, life & faith

Shawn Shewchuk is known as THE Productivity Speaker and The Number One Results Coach, considered the “Go-To” for entrepreneurs, high achievers, and leaders who are driven to achieve more and collapse time frames.

Shawn brings us a powerful and thought-provoking presentation that challenges our perspective on planning, purpose, and faith. While we map out our days and futures with intention, he reminds us that the Creator formed a far greater plan for our lives long before we existed. We are called not to abandon planning, but to hold it loosely, remaining open to a design that can elevate us to unimaginable heights. When we embrace the unknown and trust what we cannot yet see, perspective shifts—because in the realm of faith, believing is seeing.

Shawn founded [changeyourresults.com](http://changeyourresults.com), an international coaching and change agency with clients located around the globe. He hosts the award-winning Results Radio Broadcast, and is a two-time bestselling author. Besides his love of travel and family, Shawn is passionate about empowering transformation within individuals, entrepreneurs, and organizations. Through his speaking, publications, articles and videos, his message has impacted millions.
